Dear Friends:

The Ridgewood Fourth of July Celebration, Inc. cordially invites you to participate in its **114th** Annual Celebration and Parade on **Thursday, July 4, 2024**. The theme of this year's celebration is:

“United We Play”

From the “Shot Heard ‘Round the World” in 1951 to “Do you believe in Miracles?” in 1980, the 90s Dream Teams, Katie Ledecky, Michael Phelps, Simone Biles, and the countless amazing athletic achievements we see on a national and local level, there is no doubt, sports are a huge part of our culture. This summer from July 26th to August 11th the world will celebrate the XXXIII Olympic Summer Games and the world’s best athletes. We want you to help get the party started! Whether your parade entry highlights your favorite athletes, sporting events, memorable moments, or even Olympic event locations...there are plenty of ways to get creative. We look forward to seeing you again and making this year’s Ridgewood Fourth of July Celebration another great success!

Application

The application is enclosed, please complete, and return with the \$20 fee by June 15th. Please ensure all information is accurate.
